Military Resistance Newsletter Publication Interrupted By Computer Failures

Publication of the Military Resistance Newsletter has been interrupted for several weeks by a severe computer failure damaging both computer functions and highly specialized Word program functions necessary to continue publication.

Work to restore the ability to produce the Newsletter and recover files is going on now.

Special regrets for the delay to civilians, veterans, and active duty who have sent in material for publication. Shit happens.

Your Assistance Respectfully And Most Urgently Requested Now

There is no money on hand to pay for the large expenses necessary to get this repair work done now.
