### **THE SILVER HAMMER**

**One Silver Jar holds my Husband, One Silver Star Posthumously. He did not die for God & Country, He died fighting to save his men.**

**My husband's flag I unfold now & throw it in our front yard, With gasoline for our lawnmower, it burns bright one night at midnight. A policeman knocks on our front door, asks me what I am doing  
The screams of his men were too much for him, so he rushes the machine gun nest, his men rush after him & take the hill.**

**The Medic rushes to his side & tries to save him. War is just one big rush that never goes away. Answering the door she hits him with a Silver Hammer, Again &**

**again until the front porch looks exactly like a bloody machine gun nest. This is for the rich who must get richer. Corporations who profit like leaches, war profiteers who make Billions for death mask sub-humans who buy their stock.**

**For a corrupt Government who sends husbands to their death. Running from the Law to another Wife who thinks the same, then finding others as the TV lies like Newspapers do. Going Underground to Start the Revolution, They rob a**

gun store like Rebel Girls do.

Connecting wives with dead husbands, giving them all Silver Hammers & Guns including wounded Wives who have husbands changed by the War. The police find the Dead Cop, in a satanic crime scene & fasten yellow ribbons around it & the Citizens of their Countries tie yellow crime scene tape around Iraq & Afghanistan.

Then they find out about the Robbery of the gun & ammo shop.

They put out an APB, armed & dangerous, Do Not take alive. Then a police car pulls behind them afar without any lights flashing, then other cop cars pull behind them. Driving faster over a 100, then at the top of a hill,

they now see a train travel across the highway up ahead. They drive into the train but bust through after the caboose. The Police cars are close behind but it's a two track crossing & they hit another train going the other way.

They drive nice to a friend's home & stash the car in the garage.

They write letters to Activist Groups for help & one slips them underground like Slaves because if caught,

they would be Beat, Raped & Tortured by the Police & Not seen as Political Prisoners. They provide fake Passports & in disguise fly to Venezuela for political asylum . It's Not like they leaked any American Empire Secrets. Their Vain Hope for a Revolution as a spark as in Tunisia, split Americans when the Government calls them Criminals, but on the other side, there are more than a few who

want Silver Hammers.
