Telling the truth - about the occupations or the criminals running the government in Washington - is the first reason for Traveling Soldier. But we want to do more than tell the truth; we want to report on the resistance to Imperial wars inside the armed forces.

Our goal is for Traveling Soldier to become the thread that ties working-class people inside the armed services together. We want this newsletter to be a weapon to help you organize resistance within the armed forces.

If you like what you've read, we hope that you'll join with us in building a network of active duty organizers. <http://www.traveling-soldier.org/>

Traveling Soldier is the publication of the Military Resistance Organization

**DO YOU HAVE A FRIEND OR RELATIVE IN THE
MILITARY?**

Forward Military Resistance along, or send us the address if you wish and we'll send it regularly. Whether in Iraq or stuck on a base in the USA, this is extra important for your service friend, too often cut off from access to encouraging news of growing resistance to the wars, inside the armed services and at home. Send email requests to address up top or write to: The Military Resistance, Box 126, 2576 Broadway, New York, N.Y. 10025-5657. Phone: 888.711.2550

FYI: Traveling Soldier Is Published By The Military Resistance Organization: MILITARY RESISTANCE TEN POINTS

Mission Statement:

1. The mission of Military Resistance is to bring together in one organization members of the armed forces and civilians in order to give aid and comfort to members of the armed forces who are organizing to end the wars of empire in Afghanistan and Iraq. The long term objective is to assist in eliminating all wars of empire by eliminating all empires.

2. Military Resistance does not advocate individual disobedience to orders or desertion from the armed forces. The most effective resistance is organized by members of the armed forces working together.

However, Military Resistance respects and will assist in the defense of troops who see individual desertion or refusal of orders as the only course of action open to them for reasons of conscience.

3. Military Resistance stands for the immediate, unconditional withdrawal of all U.S. and other occupation troops from Iraq and Afghanistan.

Occupied nations have the right to independence and the right to resist Imperial invasion and occupation by force of arms.

4. Efforts to increase democratic rights in every society, organization, movement, and within the armed forces itself will receive encouragement and support.

Members of the armed forces, whether those of the United States or any other nation, have the right and duty to act against dictatorships commanding their services, and to assist civilian movements against dictatorship.

This applies whether a political dictatorship is imposed by force of arms or a political dictatorship is imposed by those in command of the resources of society using their wealth to purchase the political leadership.

5. Military Resistance uses organizational democracy.

This means control of the organization by the membership, through elected delegates to any coordinating bodies that may be formed, whether at local, regional, or national levels.

Any member may run for any job in the organization. All persons elected are subject to immediate recall, by majority vote of the membership.

Coordinating bodies report their actions, decisions and votes to the membership who elected them, and may be overruled by a majority of the membership.

6. It is not necessary for Military Resistance to be in political agreement with other organizations in order to work together towards specific common objectives.

It is productive for organizations working together on common projects to discuss differences about the best way forward for the movement.

Debate is necessary to arrive at the best course of action.

Membership Requirements:

7. It is a condition of membership that each member prioritize and participate in organized action to reach out to active duty armed forces, Reserve and/or National Guard units.

8. Military Resistance or individual members may choose to support candidates for elective office who are for immediate withdrawal from Iraq and Afghanistan, but do not support a candidate opposed to immediate, unconditional withdrawal.

9. Members may not be active duty or drilling reserve commissioned officers, or employed in any capacity by any police or intelligence agency, local, state, or national.

10. I understand and am in agreement with the above statement. I pledge to defend my brothers and sisters, and the democratic rights of the citizens of the United States, against all enemies, foreign and domestic.
