Traveling Soldier is the publication of the Military Resistance Organization.

Telling the truth - about the occupations or the criminals running the government in Washington - is the first reason for Traveling Soldier. But we want to do more than tell the truth; we want to report on the resistance to Imperial wars inside the armed forces.

Our goal is for Traveling Soldier to become the thread that ties working-class people inside the armed services together. We want this newsletter to be a weapon to help you organize resistance within the armed forces.

If you like what you've read, we hope that you'll join with us in building a network of active duty organizers. <http://www.traveling-soldier.org/>

FYI: Traveling Soldier Is Published By The Military Resistance Organization: MILITARY RESISTANCE TEN POINTS

Mission Statement:

1. The mission of Military Resistance is to bring together in one organization members of the armed forces and civilians in order to give aid and comfort to members of the armed forces who are organizing to end the wars of empire in Afghanistan and Iraq. The long term objective is to assist in eliminating all wars of empire by eliminating all empires.

2. Military Resistance does not advocate individual disobedience to orders or desertion from the armed forces. The most effective resistance is organized by members of the armed forces working together.

However, Military Resistance respects and will assist in the defense of troops who see individual desertion or refusal of orders as the only course of action open to them for reasons of conscience.

3. Military Resistance stands for the immediate, unconditional withdrawal of all U.S. and other occupation troops from Iraq and Afghanistan.

Occupied nations have the right to independence and the right to resist Imperial invasion and occupation by force of arms.

4. Efforts to increase democratic rights in every society, organization, movement, and within the armed forces itself will receive encouragement and support.

Members of the armed forces, whether those of the United States or any other nation, have the right and duty to act against dictatorships commanding their services, and to assist civilian movements against dictatorship.

This applies whether a political dictatorship is imposed by force of arms or a political dictatorship is imposed by those in command of the resources of society using their wealth to purchase the political leadership.

5. Military Resistance uses organizational democracy.

This means control of the organization by the membership, through elected delegates to any coordinating bodies that may be formed, whether at local, regional, or national levels.

Any member may run for any job in the organization. All persons elected are subject to immediate recall, by majority vote of the membership.

Coordinating bodies report their actions, decisions and votes to the membership who elected them, and may be overruled by a majority of the membership.

6. It is not necessary for Military Resistance to be in political agreement with other organizations in order to work together towards specific common objectives.

It is productive for organizations working together on common projects to discuss differences about the best way forward for the movement.

Debate is necessary to arrive at the best course of action.

Membership Requirements:

7. It is a condition of membership that each member prioritize and participate in organized action to reach out to active duty armed forces, Reserve and/or National Guard units.

8. Military Resistance or individual members may choose to support candidates for elective office who are for immediate withdrawal from Iraq and Afghanistan, but do not support a candidate opposed to immediate, unconditional withdrawal.

9. Members may not be active duty or drilling reserve commissioned officers, or employed in any capacity by any police or intelligence agency, local, state, or national.

10. I understand and am in agreement with the above statement. I pledge to defend my brothers and sisters, and the democratic rights of the citizens of the United States, against all enemies, foreign and domestic.

“At a time like this, scorching irony, not convincing argument, is needed. Oh had I the ability, and could reach the nation’s ear, I would, pour out a fiery stream of biting ridicule, blasting reproach, withering sarcasm, and stern rebuke.

“For it is not light that is needed, but fire; it is not the gentle shower, but thunder.

“We need the storm, the whirlwind, and the earthquake.”

“The limits of tyrants are prescribed by the endurance of those whom they oppose.”

Frederick Douglass, 1852

Hope for change doesn't cut it when you're still losing buddies.

-- J.D. Englehart, Iraq Veterans Against The War

One day while I was in a bunker in Vietnam, a sniper round went over my head. The person who fired that weapon was not a terrorist, a rebel, an extremist, or a so-called insurgent. The Vietnamese individual who tried to kill me was a citizen of Vietnam, who did not want me in his country. This truth escapes millions.

“What country can preserve its liberties if its rulers are not warned from time to time that their people preserve the spirit of resistance? Let them take arms.”

-- Thomas Jefferson to William Stephens Smith, 1787

I say that when troops cannot be counted on to follow orders because they see the futility and immorality of them THAT is the real key to ending a war.

-- Al Jaccoma, Veterans For Peace

“The Nixon administration claimed and received great credit for withdrawing the Army from Vietnam, but it was the rebellion of low-ranking GIs that forced the government to abandon a hopeless suicidal policy”

Edited by Vietnam Veteran Jeff Sharlet from 1968 until his death, this newspaper rocked the world, attracting attention even from Time Magazine, and extremely hostile attention from the chain of command. The pages and pages of letters in the paper from troops in Vietnam condemning the war are lost to history, but you can find them here.

Military Resistance has copied complete sets of Vietnam GI. The originals were a bit rough, but every page is there. Over 100 pages, full 11x17 size.

Free on request to active duty members of the armed forces.

Cost for others: \$15 if picked up in New York City. For mailing inside USA add \$5 for bubble bag and postage. For outside USA, include extra for mailing 2.5 pounds to wherever you are.
